INFORMATION FOR OUR PARENTS

Kindergarten 2022 Parent/Carer Information Night

Enrolment for Kindergarten 2022 is now open. Information has been distributed to local preschools and childcare facilities. Unfortunately due to COVID restrictions our 2022 Kindergarten Parent/Carer Information Night was postponed. If you have any questions regarding Kindergarten enrolments please contact the office. Kindergarten enrolment packs are available for collection at the office. You can also enrol online by visiting our school website (click on the Enrolment tab) [Home - Pacific Palms Public School \(nsw.gov.au\)](http://Home-PacificPalmsPublicSchool(nsw.gov.au))

Stage 2 Aussie Bush Camp/Stage 3 Canberra Excursion

The last few months have been challenging for many of us and filled with great uncertainty. The government is gradually lifting restrictions but when life will return to "normal" is still unclear. It is a particularly challenging time for our students. Following recent Department advice all excursions are still on hold and it is unclear when travel will be permitted. So it is with great sadness that we have made the decision to cancel the Stage 2 Aussie Bush Camp and the Stage 3 Canberra Excursion. Our number one priority is student safety and as always we need to adhere to Department guidelines. We hope that you understand that this decision was not made lightly. **Full refunds** will be offered to all parents and a note regarding this will be sent home in early Term 4. Any money that has been paid can also be redirected to school fees or held over to 2022 excursions.

CARE – about yourself, others, learning and the environment ISSUE 7 | TERM 3 | WEEK 10

A MESSAGE FROM THE PRINCIPAL

What a roller coaster this term has been for all of us!

This week we saw many schools across regional NSW, where there has not been recent transmissions of COVID-19, released from stay-at-home rules. This meant a return to school sites under our COVID-safe level 3 plan. Staff, students and parents/carers have been very excited to see a full return to on site learning and teaching at these schools and we will take the opportunity to learn from their experience in welcoming back staff and students as we plan for our own return. It was heart-warming to see photos of our students learning from home and adapting so well to their new way of life. We are very grateful that this was only a four-week period, unlike much of the state that has been in lockdown for an extended period of time. We are hopeful that face-to-face learning can continue in our LGA for the remainder of the year.

The end of Term 3 has been a busy one for our school and others throughout the state. We're happy to say that together we made it through what has been a constantly-changing and sometimes difficult term. We could not have done it without the commitment from all of our families who supported learning from home, and from our fantastic teaching and school staff. I want to thank you all for your efforts to continue to keep our school community safe – I know everyone has faced different challenges at different times through the term.

At the time of writing this, Pacific Palms Public School is operating under Level 3 COVID safe school operations. This does restrict a number of school activities. At this point in time, the DoE guidelines state that we cannot hold excursions, camps or assemblies. With a number of extra-curricular activities planned for Term 4, we will be monitoring the guidelines and will keep you informed of any cancellations or postponement. This includes our end of year activities and celebrations.

I hope everyone enjoys a break over the holidays and is looking forward to the COVID-safe return to school sites that we are planning for in Term 4.

Please read the updates on the following page and don't hesitate to reach out for support or with any questions.
