NON-LOCAL PRIMARY SCHOOL PLACEMENT INFORMATION FOR PARENTS

PLEASE READ CAREFULLY BEFORE COMPLETING THE FORM

Parents may apply for the non-local enrolment of their child in up to two (2) schools of their choice in addition to their designated local school. A separate application form is required for each school.

Priority for enrolment will be given to students entering Kindergarten. Places may also be available in Years 1 – 6.

Reasons for choosing non-local placements may include:

- proximity and access to the school
- siblings already enrolled at the school
- move from a non-government school
- particular educational programs and philosophies
- medical reasons
- safety and supervision of the student before and after school
- special interests and abilities
- compassionate circumstances/ student wellbeing
- structure and organisation of school
- wellbeing of existing students – behavior of applicant, size of classes, time of year

The number of students a school may enrol is limited by the availability of classroom space. This means that some schools may not have room left for non-local enrolments after accommodating local children. To avoid disappointment, parents should check that there are places available in a school before applying.

Once a student enrolls in a non-local school, transfer to another non local school will only be possible in exceptional circumstances. Transfer to the student's local school will be allowed if space is available.

Parents can appeal against decisions regarding non-local placement by writing to the School Principal.
