Great space Race

Player 1

Player 2

How to play: Players turn over their top card. The person with the highest value card colours in a star. Discard used cards and continue playing. The winner is the first person to colour in all of their stars.

TAKE TEN

Deck

Take 4 cards from the deck. Turn them over and place them on the number boxes. If you can make a total of 10 collect them and put them to the side. Replace with cards from the deck. If you cannot make 10 choose one card to replace. Put it at the bottom of the deck and choose a new card from the top. The winner is the person with the most cards in their saved pile at the end of the game.
