The rain was pouring down...

Today you are going to write a narrative (a story).

The topic you have been given for your narrative is "The rain was pouring down..."

Think:

What do you want your story to be about? Your story might be about something that happened when it was raining, a problem that occurred in the rain or a tricky situation as a result of lots of rain.

Plan:

Plan your writing before you begin and decide who your characters are, the setting of your story, the complication or problem and how it is solved and how the story will end.

Remember to check:

- that your spelling and punctuation is all correct
- that you have used sentences
- that you have stayed on topic
- that you have edited your writing.
